EXPERIENCE

Research Expertise

- Developed and conducted extensive research on various historical periods with a focus on social and intellectual history of Ukraine.
- Demonstrated an ability to critically analyse a family as a social and cultural community and its interaction with the cultural and historical environment across several generations.
- Acquired skills in scientific historical investigation and information search in various types of archival institutions.
- Experienced in applying general scientific (analysis and synthesis) and specialised historical methods (historical-chronological, historical-comparative, historical-genetic, periodisation and others)

method).

- Strong interdisciplinary skills, integrating knowledge from additional socio-humanitarian disciplines, such as sociology, historical psychology, cultural history, genealogy, biography, gender studies and other related fields to enrich historical analyses.

Experience in organising International Conferences and Scientific Events

- During 2023-2024, organised four international scientific events at Swiss universities. Additionally, gained experience in organising popular science events for the “Histoire et cité” festival (Geneva, Lausanne).
- Co-organised a side event titled “Global Food Security: Crisis and Ways of Overcoming” at the G7 Summit (Italy, 2024), as well as events of the Geneva Centre for Diplomacy and Conflict Resolution (Washington, 2023, and Geneva, 2023).

Project Management

- Led multiple complex journalistic and research projects from conception to completion, coordinating resources, tasks, and deadlines.
- Completed the CUSO workshop: Fundamentals of Project Management for Research.

Investigative Reporting and Journalism

- Skilled in searching and verifying information across main registers and databases of Ukraine.
- Experience in conducting anti-corruption journalistic investigations, from topic selection to publication.
- Acquired international investigative skills for Eastern Europe through certified training at the Centre for Media Studies, SSE Riga (Stockholm School of Economics), in cooperation with the Organized Crime and Corruption Reporting Project (OCCRP).
- Extensive experience in interviewing.
- Familiarity with Ukrainian legislation and experience in working with court registers.
- Proficient in writing news and issue-based articles, and in creating digital content.

Filmmaking

- Coordination of the production of video stories, documentaries, and TV programmes.
- Storytelling and scriptwriting.

Communication and Dissemination

- Experience in creating networks for scientific projects and NGOs. Head of the Swiss branch of the [Ukrainian scientific diaspora](#).
- Experience in building a website on the WordPress platform from scratch, with subsequent site maintenance.
